POLICIES

Please **INITIAL** in each box next to each Policy

- MISSION:** The Mississauga Christian Academy is a Christian School, and is a part of the total Christian education and service ministries to the community of the Meadowvale Bible Baptist Church, Mississauga, Ontario. Teachers and workers, as part of the total staff of the Church ministries, have various talents and abilities. This includes a combination of assets such as training, experience, genuine love for children, and a commitment to Christian values.
- MORAL VALUES:** The board and staff of Mississauga Christian Academy (*hereinafter called "MCA"*) believe that the Bible is the inerrant Word of God and that it provides the behavioural and moral standards for our lives. Therefore, based upon our understanding of Biblical principles, we will teach our students:
 1. that the promotion of hatred of any individual or group is completely unacceptable,
 2. that human life begins at conception,
 3. that premarital sexual activity either heterosexual or homosexual (including but not limited to intercourse) is wrong, and
 4. that marriage is an exclusively heterosexual institution.
- PRIVACY:** MCA respects an individual's right to privacy. Personal information collected will be used for internal purposes only, with the exception of the requirement to share information as required by the laws of the Region of Peel, the Province of Ontario and the Government of Canada. Personal information will not be sold, rented, or lent to any person or other organization for commercial purposes.
- SUSPENSION, TERMINATION OF SERVICES:** It is understood, by both parents and students, that attendance at the Mississauga Christian Academy is not a right but a privilege. The school retains the right to enforce withdrawal of a student at any time, who, in the opinion of the school, should no longer attend for behavioural or if the account is not up to date. The school also retains the right to enforce withdrawal of a student, at any time, if the parent(s)/legal guardian(s) becomes abusive to another parent, child or staff member. The school has a 'zero' tolerance policy when it comes to bullying and abusive behaviour. The school retains the right to suspend any student whose tuition fees are not paid by the next tuition due date or if any monies are owed.
- FEES:** Payment for the application and tuition fees are due with the application form. Payment is to be made by wire transfer.
- FINANCIAL INTEGRITY:** I verify that my family does not have any outstanding balances at any other private school(s) and I give MCA permission to verify such information. MCA reserves the right to reject application based on adverse financial information received from a previous school. The application fee is not refundable under those circumstances.
- REFUND:** A full tuition fee refund, less an administration fee of CAD \$1,000.00, will be granted for two reasons **ONLY**. Firstly, a refund will be offered if Citizenship and Immigration Canada does not issue a Study Permit. Secondly, if there is death in the student's immediate family (parents/siblings), a refund will be offered.

To obtain a tuition refund, the student must either provide a copy of the "Letter of Rejection" from Citizenship and Immigration Canada and a written refund request from the student's parents including name(s), home address, signature(s), and full name of the student withdrawing. In the case of a family death, the student must provide proof of the family member's passing as well as a written refund request from the student's parents with a signature including name(s), address, and full name of the student withdrawing.

There will be no refund of the tuition fee in the following circumstances:

1. If the student chooses to withdraw for any reasons other than the Study Permit being denied by Citizenship and Immigration Canada or there is a death of an immediate family member.
2. If the student is found in violation of school regulations and withdrawal is enforced by MCA.

Tuition fees are to be paid in full at the time of application. In some cases, MCA will allow for families to pay by term. In these cases and when the "Letter of Acceptance" stipulates that the length of study is one full year (three terms), the same refund policy applies. That is, the student is required to pay for all terms and remain a student at MCA for the course of study indicated in the "Letter of Acceptance". Again, the only two exceptions for a refund are noted above.

Failure to meet financial obligations will result in possible legal action, holding of the student's MCA transcript and notification of this breach to Citizenship and Immigration Canada.

I have carefully read the above policies and thus enrol my child with my full recognition and acceptance of such policies. I understand that upon signing, I accept sole responsibility for payment of all tuition fees and other fees associated with my child's education at the Mississauga Christian Academy.

STATEMENT OF CO-OPERATION

As a parent/legal guardian, I will fully co-operate with MCA by supporting the school's policies and endeavor to teach, model and maintain high Christian standards consistent with the school's mission and vision as determined by the board. By submitting this application form for an elementary grade, it is my desire to have my child attend MCA and I take full responsibility for payment of all related costs.
